As I lay me down
Heaven hear me now
Im lost without a cause
After giving it my all

Winter storms have come
And darkened my sun
After all that I've been through
Who on earth can I turn to

I look to you
I look to you

After all my strength is gone
In you I can be strong

I look to you
I look to you

Yeah

And when melodies are gone
In you I hear a song

I look to you

After losing my breath
There's no more fighting left
Sinking to rise no more
Searching for that open door

And every road that I've taken
Lead to my regret
And I don't know if Im gonna make it
Nothing to do but lift my head

I look to you
I look to you

Yeah

And when all my strength is gone

In you I can be strong

I look to you

I look to you

Oh yeah

And when melodies are gone

In you I hear a song

I look to you

(my levee's have broken, my walls have come)

Coming down on me

(crumbling down on me)

All the rain is falling

(the rain is falling, defeat is calling)

Set me free

(i need you to set me free)

Take me far away from the battle

I need you

Shine on me

I look to you

I look to you

After all my strength has gone

in you I can be strong

I look to you

I look to you

and when melodies are gone

In you I hear a song

I look to you

yeah

I look to you

oooooooooh

I look to you
