the Clock strikes upon the hour
and the sun begins to fade
still enough time to figure out
how to chase my blues away
I've done alright up 'til now
It's the light of day that shows me how
and when the night falls loneliness calls

CHORUS
Oh I wanna dance with somebody
I wanna feel the heat with somebody
Yeah I wanna dance with somebody
with somebody who loves me

Oh I wanna dance with somebody
I wanna feel the heat with somebody
Yeah I wanna dance with somebody
with somebody who loves me

I've been in love and lost my senses
spinning through the town
soon or later the fever ends
and I wind up feeling down
I need a man who'll take a chance
on a love that burns hot enough to last
so when the night falls
my lonely heart calls

CHORUS

somebody who, somebody who
somebody who loves me
somebody who, somebody who
to hold me in his arms

I need a man who'll take a chance
on a love that burns hot enough to last
so when the night falls
my lonely heart calls

CHORUS

ooh dont you wanna dance
with me baby
dont you wanna dance
with me boy

hey dont you wanna dance with me baby

with somebody who loves me

dont you wanna dance
say you wanna dance
dont you wanna dance

dont you wanna dance
say you wanna dance
dont you wanna dance

dont you wanna dance
say you wanna dance
with somebody who loves me
