If you say my eyes are beautiful
It's because they're looking at you
And if you could only see yourself,
You'd feel the same way too.
You could say that I am a dreamer
Who's had a dream come true,
If you say my eyes are beautiful
It's because they're looking at you.

If you wonder why I'm smilin'
It's because I'm happy with you
And the warm sensations touch my heart
And fill me through and through,
I could hold you close forever
And never let you go
If you say my eyes are beautiful,
It's because I just love you so.

Now, my heart is an open door
Won't you come inside for more
You give love so sweetly now,
Take my love,
Take me completely now.

If you say my eyes are beautiful
It's because they're looking at you
And my eyes are just the windows,
For my feelings to come through,
And by far you are more beautiful
Than anything I ever knew,
If you say my eyes are beautiful (X3)
It's because they're looking at you.
