It's not right, but it's okay

Verse 1

Friday night you and your boys went out to eat
Then they hung out, but you came home around three
(yes you did)
If six of ya'll went out
then four of you were really cheap
Cause only two of you had dinner
I found your credit card receipt

CHORUS

It's not right ,but it's okay
I'm gonna make it anyway
Pack your bags up and leave
don't you dare come
Running back to me
It's not right, but it's okay
I'm gonna make it anyway
Close the door behind you
Leave your key
I'd rather be alone than unhappy

Verse 2

I pack bags so you can leave town for a week (yes I am)
The phone rings and then you look at me
said it was one of your friends
down on 54th street boy
So why did 213 show up on your caller ID?

I've been through all this before
Don't think about it, don't think about it
Head on out that door(aint gon get yours)
Things have got to change baby(Things have got to
change baby)
You dont stand no chance boy
Yeah, yeah, yeah, yeah, yeah
Don't you turn around
There's no more tears
Left here for you to see

Now is it really worth you going out like that tell me oh
See I'm moving on and I refuse to turn back back back
yeah
See all of this time I thought I had somebody
down for Whitney
It turns out, you were making a fool of me OH!!!!!!!

REPEAT CHORUS until end
