It's the second time around for you and I, boy  
And believe me it's confusing me  
I'm afraid to say, "Let's make up" and all's forgiven"  
But somethin' tells me I'm headed for heartbreak

So darlin', please, I'm prayin' that  
This time, yeah, this time it will be different  
That you and I can share this dream that I visualize

Tell me, are you really ready for love, boy  
Or is it just the lonely talking again  
Are you really ready for love, boy  
Or is it the lonely talking again

Now, the time before when we got together  
You promised you'd be forever true to me  
But all I got from you was lots and lots of talking  
Lonely nights filled with misery

So baby, please, please tell me now  
That when I fulfill your needs  
You won't up and leave me  
Even though you know I'll let you come back

Tell me, are you really ready for love, boy  
Or is it just the lonely talking again  
Are you really ready for love, boy  
Or is it the lonely talking again

Sleeping  
Sleeping  
Really need to know

Really ready for love, boy  
Or is it just the lonely talking again  
Are you really ready for love, boy  
Or is it the lonely talking again

Are you really ready for love, boy  
Or is it just the lonely talking again  
Are you really ready for love, boy  
Or is it the lonely

Tell me now, do you wanna know  
Really gotta know, know, are you ready?  
Are you ready, are you ready?  
Tell me, are you ready

Are you ready? Are you ready?  
Need to know, know, know  
Really wanna know, really wanna know  
Really need to know, know

Are we gonna talk? Are we gonna talk?  
Don't wanna talk, no no no no no  
I need to know, I really wanna know  
You tell me now, boy, gotta know  
Are you ready? No no no no no  
Need to know
