Mind Time Bomb
Space Junkies

Time
is slipping away
And my heart begs you to stay
But my mind explodes when it's time to go
And you leave me standing here

*Feels like a mind time bomb
When you're gone
When you're gone
It blows my mind like a time bomb
Tic toc and the times gone
Then you're gone
Then you're gone

Every time
I think of you
It makes me feel
So close to you
The tics and the tocs
And the clicks of the clock says it's time to go

* repeat

Rap (In French)

* repeat

**Mind time bomb
When you're gone
When you're gone
It blows my mind like a time bomb
Tic toc and the times gone
Then you're gone
Then you're gone

** repeat

Rap (In French)

* repeat

**Mind time bomb

When you're gone

When you're gone

It blows my mind like a time bomb

Tic toc and the times gone

Then you're gone Then you're gone ** repeat
