

Whitney Houston "Moment Of The Truth"

We've been playing games with our emotions
Let's get what we feel out in the open
Wanting you is all I do
Boy I know you want me, too

Don't you think it's time we proved
What we've been feeling

This is our moment of truth
Either we win or we lose this love
It's just the way that we feel
We'll know if love is for real, soon enough

Let out your feelings tonight
'Cause oh, I know that I want you
It's all up to me and you
And the moment of truth

Far too many times a heart gets broken
Just because three words are never spoken
We can't let that bother us
Not when we're so much in love
I could never get enough of saying, I love you

This is our moment of truth
Either we win or we lose this love
It's just the way that we feel
We'll know if love is for real, soon enough

Let out your feelings tonight
'Cause oh, I know that I want you
It's all up to me and you
And the moment of truth

Wanting you is all I do
Boy, I know you want me, too

Don't you think, it's time we proved
What we've been feeling

This is our moment of truth
Either we win or we lose this love

It's just the way that we feel
We'll know if love is for real, soon enough

Let out your feelings tonight
'Cause oh, I know that I want you
It's all up to me and you
And the moment of truth
