Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your hands ya'll it's alright

If tomorrow is Judgement Day
(Sing mommy)
And I'm standing on the front line
And the Lord ask me what I did with my life
I will say I spent it with you
(Clap your hands ya'll it's alright)
It's alright
(Clap your hands ya'll it's alright)

If I wake up in World War III
(World war III)
I see destruction and poverty
And I feel like I want to go home
It's okay if you're comin' with me

Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your hands ya'll it's alright

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your hands ya'll it's alright

If I lose my fame and fortune
(Really don't matter)
And I'm homeless on the street

(On street oh Lord)
And I'm sleepin' in Grand Central Station
(Okay)
It's okay if you're sleepin' with me

Clap your hands ya'll it's alright

Clap your hands ya'll it's alright

As the years they pass us by
(Years they, years they, years they)
We stay young through each other's eyes
(Each other's eyes)
And no matter how old we get
It's okay as long as I got you babe

Clap your hands ya'll it's alright
Clap your hands ya'll it's alright

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

If I should die this very day
(Very very very day)
Don't cry, 'cause on earth we wasn't meant to stay
(Don't cry)
And and no matter what the people say
(Really don't matter)
I'll be waiting for you after the Judgement Day

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us

Clap your hands ya'll it's alright
Clap your hands ya'll it's alright
Clap your, clap your, clap your hands ya'll it's alright
