

Whitney Houston "My Love"

Visit "[My Love](#)" on MotoLyrics.com

My love, some girls just wanna spend guys' money
Live their lives chasing the milk and honey
Silver lines their every fantasy
But you're lucky 'cause that ain't me, no

Most girls think guys are all the same
Not true, so I can't take the blame
I love you through the joy and pain
Even the coldest Georgia rain

See, my love is like an open sky, open sky
See, my heart is like the river wide, river wide
No, my well would never, ever run dry
It runs over for you and I, you and I

See, my love is deeper than the sea
It's sweeter than a pretty melody
So tell everybody that you're glad you got me
Trust in my love, my L-O-V-E
(My love, my love, my)

Some think that love is just a word, just a word
Because of all the things they've heard, things they've
heard
They think they gotta close their hearts
Can't see the light, they so in the dark

But I know I got a real good man
Who loves me the best he can
That's why I'm here faithfully
'Cause you do the same for me, oh

See, my love is like an open sky
See, my heart is like the river wide
No, my well would never, ever run dry
It runs over for you and I
(My love, my love, my)

See, my love is deeper than the sea, deep sea
And sweeter than a pretty melody
Tell everybody that you're glad you've got me, glad
you've got me

You can trust in my love, my L-O-V-E
(My love, my love, my)

You gotta go through the fire
The rain, the rain
The joy, take the joy, and endure the pain

Never give in, give in
Don't give up, don't give up
They can try, but they'll never, ever break my love
(My love, my love)
(My love, my love)

Sweet, sweet love
(My love, my love)
Sweet, sweet love
(My love, my love)
See, my love

See, my love is like an open sky
See, my heart is like the river wide
No, my well would never, ever run dry
It runs over for you and I
(My love, my love, my)

See, my love is deeper than the sea
It's sweeter than a pretty melody
So tell everybody that you're glad you got me
You can trust in my love, my L-O-V-E
(My love, my love, my)

See, my love is like an open sky
See, my heart is like the river wide, a river wide
No, my well would never, ever run dry
It runs over for you and I
(My love, my love, my)

See, my love is deeper than the sea
It's sweeter than a pretty melody, melody
So tell everybody that you're glad you've got me
You can trust in my love, my L-O-V-E
(My love, my love, my)
