A few stolen moments is all that we share
Youve got your family, and they need you there
Though Ive tried to resist, being last on your list
But no other mans gonna do
So Im saving all my love for you

Its not very easy, living all alone
My friends try and tell me, find a man of my own
But each time I try, I just break down and cry
Cause Id rather be home feeling blue
So Im saving all my love for you

You used to tell me wed run away together
Love gives you the right to be free
You said be patient, just wait a little longer
But thats just an old fantasy
Ive got to get ready, just a few minutes more
Gonna get that old feeling when you walk through that
door

For tonight is the night, for feeling alright
Well be making love the whole night through
So Im saving all my love
Yes Im saving all my love
Yes Im saving all my love for you

No other woman, is gonna love you more
Cause tonight is the night, that Im feeling alright
Well be making love the whole night through
So Im saving all my love
Yeah Im saving all my love
Yes Im saving all my love for you
For you, for you
