Chorus

It on you
If you won't to leave
See I don't have no problem
If you leave
It be the best time
If I don't see your face no more

Verse 1

Thought on agreeing
But to argue all time
Make me go insane
Cause don't make no sense
If we had clocked
You think thing be different for us
See I dont have no problem just put you out
If you won't to leave
It be the best time

(Chorus)

Chorus 2

It on you
If you want to leave
See I don't have no problem
If you don't come back
If you leave
It be the best time
If I don't see your face anymore

(Chorus)

Verse 2

If I love you
You didn't love me back
Think
If I took you back
If you won't me back
Thnik
Think about all shady shit you did done to me
it be the best time

Cause that all have is time
Please boy
If think u get away that what you thinkin

(Chorus)
