Impossible things are happening everyday...

Someone wants you You know who Now you're living There's music in you

Now you'll hear Something new Someone's playing The music in you

Now you're living You know why Now there's nothing You won't try

Move a mountain

Light the sky Make a wish come true There is music in you

Now you can go where ever you want to go Now you can do whatever you want to do Now you can be whatever you want to be And love is a song you will your whole life through

Move a mountain Light the sky Make a wish come true There is music in you

In youuuuuuuuuuu...
