[T-Boz]

Not everybody knows just how to do it
Some just learn it on the way
Once you get it right, ain't nothin' to it
If you wanna get it right, you gotta learn to pace

1 - [TLC]

Make it smooth, take your time
Make it groove, in, out, in
Make it last
Kiss, kiss, kiss, kiss my ---
Ah, ah, ah

2 - [T-Boz and Chilli]

This is how it works
Wrap your hands around my body
This is how it works
Go due south
This is how it works
Melt yourself into my body
This is how it works
Kiss my mouth

[T-Boz and Chilli]

Some guys think they know the answers
Everybody knows how to make you scream
If most guys took time out their fantasies
Maybe we could stop our make believe

Repeat 1

Repeat 2

[Left Eye]

Ready, set, go
You don't have to know
We can take forever, learn together any flow
Touch me slow, watch it grow
Kiss the tip, gently flow, be my ho and take the show
We can watch it in slow-mo, when the sweet and low
drips
Don't forget to let me wet my finger tips
Write love letters back and forth across your lips

Spread my hips, count to eighty, eighty ways, eighty trips

Repeat 1 while:

3 - [Left Eye]

One time for you mind

Two times if ya tense baby, let it unwind

Three counts, let it bounce

To the mothafuckin' ounce

Here we go, now you know 4th down

Let it flow back around, come on

Kiss my, kiss my, mm-wah

Repeat 2

[T-Boz] (Chilli)

Is the way it works (yeah, yeah)

Is the way it works

Is the way it works (yeah, yeah)

This is how you melt my body

Repeat 2 while:

[T-Boz] (Chilli)

Is the way it works (yeah, yeah)

Is the way it works

Is the way it works (yeah, yeah)

This is how you melt my body

Repeat 2 and 3 (simultaneously) to fade
