Verse 1

Joe

I see you turnin' the world in your hands
Just let it go
I've loved you better, than ever you wanted
Doesn't it show

Bridge 1

Joe

You've been standin' at the window, day & night
Lookin' at the rain
A simple conversation
A helpless situation
Please let me explain

Chorus 1

Joe

Trust In Me, when you're all alone
Trust In Me, when you can't go on
If lovin' me is what you need
Trust In Me

Verse 2

Joe

Don't make it easy
I don't mind
There's somethin' I can do

Verse 3

Sass

And just try to see what you see
And I'll be there for you

Bridge 2

Both

You've been standin' at the window, day & night
Tell me what you see
Sun in the daytime
Moon at night
That's how easy it should be

(Repeat Chorus 1)

Chorus 2

Both

Trust In Me, when you can't go on
Trust In Me, when your strength is gone
If lovin' me is the power to heal
Trust In Me

Bridge 3

Both

If you need someone to hold ya
Call me, I'll be there
And if ever you're in trouble
And you need someone darlin'
Call me, call me, call me, call me

Move a little closer

A little closer to the bone

Move on in

Oh darlin', move on in

(Repeat Chorus 1 & 2 w/variations to fade)
