P. Diddy:

You ready.

It's time for you to speak up

Bad Boy Baby

Whitney Houston

As we procede

Whitney:

Well, well, well, well

Hey

Whoooo

Chorus:

Why you lookin' at me

Don't get mad at me

'Cause I'm still gonna be me

(Tell me, Tell me, Tell me)

Whatchulookinat

(Tell me, Tell me, Tell me)

Whatchulookinat

I feel your eyes on me

You been telling lies on me

(Tell me, Tell me, Tell me)

Whatchulookinat

(Tell me, Tell me, Tell me)

See I don't understand

Why you keep peepin' me

When you don't even like me

You're after me and my man

Don't think you're stressing me

'Cause your lies don't excite me, no no

(Never thought)

Never thought, Never thought

(Never knew)

Never knew that you would do this to me

Do this to me

(Try to ruin me) Ruin me

(Be my enemy) Be my enemy

(Never thought)

Never thought, Never thought, Never thought
(That you) That you
Would act as if you're cool with me
So why you lookin' at me

Why you lookin' at me
(Don't get mad at me)
Don't get mad
('Cause I'm still gonna be) Gonna be me
(Tell me, Tell me, Tell me)
(Whatchulookinat)
Me, Me, Me
(Tell me, Tell me, Tell me)
(Whatchulookinat)
Tell me whatchulookinat
(I feel your eyes on me)
Feel your eyes
(You been telling lies on me)
Telling lies
(Tell me, Tell me, Tell me)
Tell me
Why You looki at me

Oh you know you're wrong
Don't wanna respect my song
But it's okay 'cause either way
My following is real strong
You try so hard to show the whole world what I do-
