Who do you love, do you love, love, love?
Who do you love, do you love?

I've got a feeling you're the boy for me
I bet your love could set me free
I feel a love thing coming on
It started weak then got, oh, so strong

Strong enough to rock the world
Straight up, I want to be your girl
So I keep praying to the stars above
That it's me who you're gonna love

Am I the one?
Is she the one?
Who do you love?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?

Who do you love?
You've got to say
Don't want to go
Why can't I stay?

I keep pushing so you'll be mine
We'll be loving, baby, overtime
My sensitivity gets so high
It keeps me dreaming that you're my guy

Then I have to stop and check myself
Could it be that you love someone else?
I can't give in to jealousy
So touch me now if you love me

Am I the one?
Is she the one?
Who do you love?

Am I the one?

Is she the one?
Who do you love?

Am I the one?
Is she the one?
Who do you love?

Am I the one?
Is she the one?
Who do you love?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?

Who do you love?
You've got to say
Don't want to go
Why can't I stay?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?

Who do you love?
You've got to say
Don't want to go
Why can't I stay?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?

Who do you love?
You've got to say
I don't want to go
Why can't I stay?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?

Who do you love?
You've got to say
I don't want to go
Why can't I stay?

Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
