If there's a time,  
when the tears should fill your eyes,  
and you cant see pass the shadows  
to the sun on the other side,  
don't despair,  
Cause there will always be someone there,  
don't lose faith  
love will let you lose your way be,

[chorus]  
cause you,  
you'll never stand alone,  
I'll be standing by,  
I'll keep you from the cold,  
I'll hold you when you cry  
I'll be there to be strong  
when you cant find the strength inside  
and you,  
you'll always have a home,  
in these arms of mine  
you'll never stand alone,  
love is standing by  
( oh yes it is)

If there's a day,  
when the rain should find your heart  
and your cold and tired and lonely  
and this world has you in the dark  
dont be scared  
you can just reach for me and i'll be there,  
dont lose hope,  
love will see you through you know be

[Chorus]  
cause you  
you'll never stand alone

i'll be standing by  
i'll keep you from the cold  
i'll hold you when you cry  
i'll be there to be strong  
when you can't find the strength inside

and you  
you'll always have a home in  
these arms of mine  
you'll never stand alone  
love is standing by

[bridge]  
Standing by to lift you up from  
the hurt and pain  
standing by to carry you through  
all the tears and rain  
Reach for me, i'll be with you  
Reach for me, i'll see you through

I'll be the one to hold you  
the one to show you  
that

[chorus]  
you, you'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong  
When you can't find the strength inside  
and you  
You'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by

oooohhh  
Love..is standing by
