If tomorrow is Judgement day
and I'm standing on the front line
and the Lord asks me what I did with my life
I will say, I spent it with you

If I wake up in world war III
I see disturiction and poverty
and I feel like I want to go home
it's ok
your coming with me

Chorus:
Your love is my love
and my love is your love
it would take an eternity to brake us
even the chains of amistad couldn't hold us
(repeat 2x)

If I lose my fame and fortune
and my home is on the street
and I'm sleeping in grand central staion
it's ok
if your sleeping with me

As the years they pass us by
we stay young through each others eyes
and no matter how old we get
it's ok as long as I got you babe!

Chorus

if I should die this very day
don't cry cuz on earth I wasn't meant to stay
and no matter what the people say
I'll be waiting for you at the judgement day

Chorus till end
