Like a candle burning bright
Love is glowing in your eyes
A flame to light our way
That burns brighter everyday
But now, I have you
Nobody loves me like you do

Like a leaf upon the wind
I could find no place to land
I dreamed the hours away
And wondered everyday
Do dreams come true
And nobody loves me like you do

What if I'd never met you
Where would I be right now
Funny how life just falls in place somehow
You've touched my heart in places
That I never even knew
'Cause nobody loves me like you do

I was words without a tune
I was a song still unsung
A poem with no rhyme
A dancer out of time
But now, there's you
Baby, nobody loves me like you do

What if I'd never met you
Where would I be right now
Funny how life just falls in place somehow
Ooh, you've touched my heart in places
That I never even knew

Nobody loves me, nobody loves me
Nobody loves me like you do
Nobody loves me like you do
