out here in the fields
i fight for my meals
i get my back into my living
i dont need to fight
to prove im right
i dont need to be forgiven
dont cry
dont raise your eye
its only teenage wasteland
sally take my hand
travel south cross-land
put out the fire
dont look past my shoulder
the exodus is here
the happy ones are near
lets get together
before we get much older
teenage wasteland
its only teenage wasteland
teenage wasteland
oh, oh
teenage wasteland
they,re all wasted
