Baby don't you do it  
Awwwww, Baby don't you do it, don't do it babe  
Don't ya break my heart, please don't do it baby  
Don't ya break my heart, please don't ya do it baby

'Cause I sacrifice to make you laughter  
Get nothin' for myself  
Now you wanna leave me baby  
For the love of someone else  
But I try to do my best  
Yeah, I try to do my best, don't ya do it baby  
Don't ya break my heart, please don't ya do it baby  
Don't ya do it, please don't ya do it baby

My biggest mistake was lovin' you too much  
And lettin' you know  
So now you've got me where you want me baby  
And you're gonna let me go  
I try to do my best  
Yah, I try to do my best  
Don't you do it baby

Go down to the river and there I'll be  
I'm gonna jump right in baby, if you don't see about me  
I try to do my best  
Yah, I try to do my best

Open up your heart; can't you see I need it?  
Open up your heart; yeah, can't you see I love you  
And don't ya do it  
Please don't ya do it baby  
Yeah, don't ya do it  
Please don't do it baby  
Don't ya break my heart now  
don't ya break my heart now  
Now don't do it now  
Oooo yeah!  
Baby, baby, baby,  
baby, don't ya do it

Don't, don't, don't, don't, don't, don't break it  
Break my heart

Please don't do it babe  
Don't ya do it  
Don't break my heart now  
Gonna break my heart now  
Gonna break my heart now  
Gonna break my heart now  
Oooo!!!

Don't, Don't, Don't  
Don't, Don't, Don't, Don't

Pleeeeeease!

Lets go! Everybody!  
Everybody lets go

Oooo!!!

Can't ya see I need it, can't ya see I want it yeah  
Need, want, need, want want

Don't ya do it  
Don't break my heart now

I say don't ya do it  
Don't ya break my heart now

Come on, don't do it babe
