There are men high up there fishing
Haven't seen quite enough of the world
Ooh, I ain't seen a sign of my heroes
And I'm still diving down for pearls

Oh, let me flow into the ocean
Yeah, let me get back to the sea
Let me be stormy and let me be calm
Let the tide in and set me free

I'm flowing under bridges
Then flying through the sky
I'm traveling down cold metal
Just a tear in a baby's eye

Oh, let me flow into the ocean
Oh, let me get back to the sea
Oh, let me be stormy and let me be calm
Let the tide in and set me free, set me free

I am not the actor
This can't be the scene
But I am in the water
As far as I can see

Oh, I'm remembering distant memories
Recalling other names
Rippling over canyons
And boiling in the train

Oh, let me flow into the ocean
Let me get back to the sea
Let me be stormy and let me be calm
Let the tide in and set me free, set me free

Set me free, I wanna drown in cold water
