[Inaudible]

Yeah

Three thirty six it's cold, I know I'm growing old
With life's best side on the downward slope
It's in my own hands, I know I'll cope
With my girl's with me and all my friends can see

Here I am again
Early morning cold taxi
Early morning cold taxi

Done it before, do it again
Know from experience it's not in vain
She's the best I've had, I cannot see
What someone else can do to me
It's a long way home but love's so warm, you'll see

Here I am again
Early morning cold taxi
Early morning cold taxi

Early morning cold taxi
Each time I do it, I feel so down and out
Early morning cold taxi
'Though my mind thinks strange I'll keep on, no doubt

Three thirty six it's cold, I know I'm growing old
One day we'll be wed
This I know for it's what she said
Then no more will my mind be uneasy

Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh

Early morning cold taxi
Each time I do it, I feel so down and out
Early morning cold taxi
'Though my mind thinks strange I'll keep on, no doubt

Three thirty six it's cold, I know I'm growing old

One day we'll be wed
This I know for it's what she said
Then no more will my mind be uneasy

Here I am again
Early morning cold taxi
