I know when I've had enough
When I think your love is rough

The good's gone, the good's gone
The good's gone, the good's gone
The good's gone out of our love
I know it's wrong, we should enjoy it
But the good's gone, the good's gone

Once we used to get along
Now each time we kiss it's wrong

And the good's gone, the good's gone
The good's gone, the good's gone
The good's gone out of our love
I know it's wrong, we should enjoy it
But the good's gone, the good's gone

Now it ain't no fun
And the good's gone now
We used this to love as one
But we've forgotten now

I know when I've had enough
When I think your love is rough

The good's gone, yeah, the good's gone
The good's gone, the good's gone
The good's gone out of our love
We know it's wrong, we should enjoy it
But the good's gone, the good's gone
It's gone forever
