On top of the sky is a place where you go if you've done  
nothing wrong

If you've done nothing wrong

And down in the ground is a place where you go if  
you've been a bad boy

If you've been a bad boy

Why can't we have eternal life

And never die, never die?

In the place up above you grow feather wings and you  
fly round and round

With a harp singin' hymns

And down in the ground you grow horns and a tail and  
you carry a fork

And burn away

Why can't we have eternal life

And never die, never die?

On top of the sky is a place where you go if you've done  
nothing wrong

If you've done nothing wrong

And down in the ground is a place where you go if  
you've been a bad boy

If you've been a bad boy

Why can't we have eternal life

And never die, never die, never die?
