Any tough can fight, few can play  
Any fool can fall, few can lay  
Any stud can reproduce, few can please  
Anyone can pay, few can lease

It's hard  
It's very, very, very, very hard  
(It's a hard, hard hand to hold)  
It's very, very, very, very hard  
(It's a hard land to control)  
(It's a hard land to control)  
It's very hard  
(It's a hard land)

Any man can claim, few can find  
Any girl can blink, few can lie  
Anyone can promise, few can raise  
Anyone can try, but a few can stay

It's hard  
It's very, very, very, very hard  
(It's a hard, hard hand to hold)  
It's very, very, very, very hard  
(It's a hard land to control)  
(It's a hard land to control)  
So very hard  
(It's a hard land)

Its hard  
So hard

Any brain can hide, few can stand  
Any kid can fly, few can land  
Any gang can scatter, few can form  
Any kid can chatter, few can inform

It's hard  
It's very, very, very, very hard  
(It's a hard, hard, hand to hold)  
Very, very, very, very hard  
(It's a hard land to control)  
(It's a hard land to control)

So very hard  
(It's a hard land)

Any soul can sleep, few can die  
Any wimp can weep, but a few can cry  
Everyone complains, but a few can state  
Anyone can stop, but a few can wait

It's hard  
It's very, very, very, very hard  
(It's a hard, hard, hand to hold)  
It's a very, very, very, very hard  
(It's a hard land to control)  
(It's a hard land to control)  
So very hard  
(It's a hard land)

Anyone can do anything if they hold the right card  
So I'm thinking about my life now  
I'm thinking very hard

Deal me another hand Lord, this one's very hard  
(It's a hard, hard hand to hold)  
Deal me another hand Lord, this one's very hard  
(It's a hard land to control)  
(It's a hard hard hand to hold)  
(It's a hard land)  
So hard hand to hold  
(It's a hard hard hand to hold)  
It's a hard hand to hold
