Surrounded by people a real heavy crowd
But inside I still feel lonely now
Should I get away from the high heels so proud
Is there something different life can show me now

(First chance)

I blew it, I better start it all again

(Second chance)

Ooh, I knew it wouldn't be as easy as they said

(Third chance)

I'm cut up, life's like a razor's edge

(Fourth chance)

Ooh, I'm all shut up and I'm standing on the ledge

And I'm goin' down

(Goin' down)

Goin' down

(Goin' down)

Goin' down

(Goin' down)

Ooh, down

I'm not a loser but did I really win?

Can I afford to go through it all again?

I hope I don't sound as immature as I feel

But when I get wise, I'll give you a call, my friend

(First chance)

I blew it, I better start it all again

(Second chance)

I knew it wouldn't be as easy as they said

(Third chance)

I'm cut up, life's like a razor's edge

(Fourth chance)

I'm all shut up and I'm standing on the ledge

Now I'm goin' down

(Goin' down)

Goin' down

(Goin' down)

Goin' down
(I'm goin' down)
Down
(Down)

Love is coming down on me, ooh yeah
Love is burning, teaching, turning out in me
Love is coming down, down
Down, down, down, down

I'm not a loser but did I really win?
I'm lookin' forward to doin' it all again
