Ever since I was a young boy  
I've played the silver ball  
From Soho down to Brighton  
I must have played them all

But I ain't seen nothing like him  
In any amusement hall  
That deaf, dumb and blind kid  
Sure plays a mean pinball

He stands like a statue  
Becomes part of the machine  
Feeling all the bumpers  
Always playing clean

Plays by intuition  
The digit counters fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball

He's a pinball wizard  
There has to be a twist  
A pinball wizard  
He's got such a supple wrist

How do you think he does it?  
(I don't know)  
What makes him so good?  
Ain't got no distractions  
Can't hear no buzzers and bells  
Don't see no lights are flashin'  
Plays by sense of smell

Always gets a replay  
Never seen him fall  
That deaf dumb and blind kid  
Sure plays a mean pinball

I thought I was  
The Bally table king  
But I just handed  
My pinball crown to him

Even on my favorite table  
He can beat my best  
His disciples lead him in  
And he just does the rest

He's got crazy flipper fingers  
Never seen him fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball
