Please, please, please, please me
(You don't have to go)
Baby please, baby please, please me
(You don't have to go)
Baby please, baby please don't go
Don't go, I said baby, don't baby
I love you so
(You don't have to go)

Baby, you know you broke my heart when you went
away
(You don't have to go)
I said, I said, I said I'll see you some other day
(You don't have to go)
I said, baby, baby, please, don't go
Don't go, no baby, no baby
I love you so
(You don't have to go)
Take this pain from my heart

Baby, let me take you by the hand
(You don't have to go)
I said baby, baby let me be, let me be your lover man
(You don't have to go)
Baby please, baby please don't go
Don't go, I said baby, don't baby
I love you so
(You don't have to go)
Tell me

Please, please, please, please me
(You don't have to go)
Baby, baby, baby please, please me
(You don't have to go)
I tell you, I said, baby please, please don't go
I said don't go girl, don't baby, don't baby
I love you so
(You don't have to go)
Please, please me
