Here by the sea and sand
Nothing ever goes as planned
I just couldn't face going home
It was just a drag on my own

They finally threw me out
My mom got drunk on stout
My dad couldn't stand on two feet
As he lectured about morality

And now I guess, the family's complete
With me hanging round on the streets
Or here on the beach

The girl, I love is a perfect dresser
Wears every fashion, gets it to the tee
Heaven's above, I've got to match her
She knows just how she wants her man to be
Leave it to me

My jacket's gonna be cut slim and checked
Maybe a touch of seersucker with an open neck
I ride a G.S. scooter with my hair cut neat
I wear my wartime coat in the wind and sleet

I see her dance, across the ballroom
UV lights makin' stars shine off her smile
I am the face, she has to know me
I'm dressed up better than anyone within a mile

Woh yeah

So how come the other tickets look much better?
Without a penny to spend, they dress to the letter
And how come the girls come on 'oh so cool'
Yet when you meet 'em, every one's a fool?

Come sleep on the beach
Keep within my reach
I just wanna die with you here
I'm feeling so high with you here

I'm wet and I'm cold
But thank God, I ain't old
Why didn't I say what I mean?
I should have split home at fifteen

There's a story that the grass is so green
What did I see? Where have I been?

Nothing is planned by the sea and the sand

I have the keys if you want it, babe, I have the keys if
you want it
I have the keys if you want it, babe, I have the keys if
you want it
I'm afraid if you want it, I'm afraid if you want it, ooh

You want it, you want it, you want it
You want it, you want it, want it
You want it, you want it, you want it
You want it, want it, ahh, I'm afraid
