I overwhelm as I approach you
Make your lungs hold breath inside
Lovers break, caresses for me
Love enhanced when I've gone by

You'll feel me comin'
A new vibration
From afar you'll see me
I'm a sensation
I'm a sensation

They worship me and all I touch
Hazy eyed they catch my glance
Pleasant shudders shake their senses
My warm momentum throws their stance

You'll feel me comin'
A new vibration
From afar you'll see me
I'm a sensation
I'm a sensation

Soon you'll see me can't you feel me
I'm comin'
Send your troubles dancin' I know the answer
I'm comin'
I'm comin'
I'm a sensation

I leave a trail of rooted people
Mesmerised by just the sight
The few I touched, now are disciples
Love as won, I am the light
