Out here in the fields  
I fight for my meals  
I get my back into my living  
I don't need to fight  
To prove I'm right  
I don't need to be forgiven

My kids ain't gonna break my heart  
My greed ain't gonna spoil their part  
This life just has to be a new one  
I'm gonna tan underneath a new sun

Don't cry  
Don't raise your eye  
It's only teenage wasteland

Don't have the latest suit, the long grass is my fruit  
I am really ordinary man  
The family is free to do just as they please  
And we all sleep together in the caravan

Hey you, don't walk on the turnips  
My lord, when will they ever learn it, ooh  
Look there, nations of travelling children  
Nowhere to go to escape the chill wind

Don't cry  
Don't raise your eye  
It's only teenage wasteland

My kids ain't gonna break my heart  
And my greed ain't gonna spoil their part  
This life just has to be a new one  
I'm gonna tan underneath a new sun

Sally, take my hand  
We'll travel south crossland  
Put out the fire  
And don't look past my shoulder  
The exodus is here  
The happy ones are near  
Let's get together

Before we get much older

Teenage wasteland

Teenage wasteland

Teenage wasteland

It's only teenage wasteland

Teenage wasteland

It's only teenage wasteland

Teenage wasteland

It's only teenage wasteland

They're all wasted!
