Two thousand years
Two thousand years
Two thousand years
Two thousand years

I have waited
To ask if I have loved you
To know if I have served you
To finally find the being
To know if I could trade you

Two thousand years
Two thousand years
Two thousand years
Two thousand years
Two thousand years

Have I waited
Then find I can't be perfect
Not even a perfect sneak
To know we are hated
We suffered for my sake

Two thousand years
Two thousand years
Two thousand years
Two thousand years
Have I waited

And so I have the chance to love
As you intended
You really lived and died for me
Is the waiting really ended?

Two thousand years
Long years
Long, long, long years
Have I waited

Two thousand long, long years
Two thousand long, long years
Two thousand long, long years
