You Better You Bet

You better you better you bet.

You better you better you bet.

You better you better you bet.

You better you better you bet.

I call you on the telephone my

Voice too rough with cigarettes.

I sometimes feel I should just go home

But I'm dealing with a memory that never forgets

I love to hear you say my name

Especially when you say yes

I got your body right now on my mind

But I drunk myself blind to the sound of old T-

Rex, Mmmmm

To the sound of old T-Rex oh, and Who's Next

Chorus:

When I say I love you you say you better

You better you better you bet

When I say I need you you say you better

You better you better you bet

You better bet your life

Or love will cut you, cut you like a knife

I want those feeble minded axes overthrown

I'm not into your passport picture, I just like your nose

You welcome me with open arms and open legs

I know only fools have needs, but this one never begs

I don't really mind how much you love me

Ooh, a little is alright

When you say

Come over and spend the night

Tonight

Tonight

Chorus:

When I say I love you, you say you better

You better you better you bet

When I say I need you, you say you better
You better you better you bet
You better bet your life
Or love will cut you, cut you like a knife

I lay on the bed with you
We could make some book of records
Your dog keeps licking my nose
And chewing up all those letters
Saying "you better"

You better bet your life

You better love me, all the time now
You better shove me back into line now
You better love me, all the time now
You better shove me back into line now.

I showed up late one night
With a neon light for a Visa
But knowing I'm so eager to fight
Can't make letting me in any easier

I know I been wearing crazy clothes
And I look pretty crappy sometimes
But my body feels so good
And I still see the rays of light everytime.

And when it comes to all night living
I know what I'm giving
I've got it all down to a tee
And it's free.

Chorus:

When I say I love you, you say you better
You better you better you bet
When I say I need you, you say you better
You better you better you bet
When I say I love you, you say you better
You better you better you bet
When I say I need you, you scream you better, Ooooo!
You better you better you bet
When I say I love you, you say you better
You better you better you bet
When I say I need you, you say you better
You better you better you bet
When I say I love you, you say you better
You better you better you bet
When I say I need you, you scream you better
You better you better you bet

You better bet your life
Or love will cut you, just like a knife
