Silky smooth  
Lips as sweet as candy, baby  
Tight blue jeans  
Skin that shows in patches  
Strong inside but you don't know it  
Good little girls they never show it  
When you open up your mouth to speak  
Could you be a little weak?

Do you know what it feels like for a girl?  
Do you know what it feels like in this world for a girl?

Hair that twirls on finger tips so gently, baby  
Hands that rest on jutting hips repenting  
Hurt that's not supposed to show and  
Tears that fall when no one knows  
When you're trying hard to be your best  
Could you be a little less

Do you know what it feels like for a girl?  
Do you know what it feels like in this world for a girl?

Do you know what it feels like for a girl?  
Do you know what it feels like in this world for a girl?

Strong inside but you don't know it  
Good little girls they never show it  
When you open up your mouth to speak  
Could you be a little weak?

Do you know what it feels like for a girl?  
Do you know what it feels like in this world for a girl?

Do you know what it feels like for a girl?  
Do you know what it feels like in this world for a girl?

In this world  
Do you know?  
Do you know?  
Do you know what it feels like for a girl?  
What it feels like in this world
