Go ahead and light up your cigarette  
Best get drunk and belligerent  
Maybe then I'll consider it  
Once I'm stripped of my innocence  
From the duo of parking lot  
To riverside where the water stops  
Yo we're gonna lose all we've got  
And never resolve this all with pot

It's nothing like before  
There's no signs of hope here  
I'm letting myself go  
And you don't care

She says she wants something different  
Someone who holds her interest  
And if homegirl gets into it  
She'll make a move and get intimate  
From the bottom and on the top  
Now the backseat is scorching hot  
And the neighborhood's forced to watch  
Unless somebody calls the cops

It's nothing like before  
There's no signs of hope here  
I'm letting myself go  
Pretending that I don't care  
It's nothing like before  
There's no signs of hope here  
I'm letting myself go  
And you don't care  
You don't care  
You don't care  
You don't care

It's nothing like before  
There's no signs of hope here  
I'm letting myself go  
Pretending that I don't care  
It's nothing like before  
There's no signs of hope here  
I'm letting myself go

And you don't care
