[Talking]

You ride up to the club boy
I don't give a fuck
Got that thing in the club boy
Bitch I don't give a fuck
Dirty deep lick your pussy clean
I don't give a fuck
You talking shit about me bitch
Bitch I don't give a fuck

If Simple Plan step up, we gonna crush them niggas
Good Charlotte step up, we gonna crush them niggas
I got that dirty south with me
Bitch I don't give a fuck
I got that Duval with me
No we don't give a fuck
If security step up, we gonna crush them niggas
If security step up, we gonna crush them niggas
I got that dirty south with me

I represent that Southside Duval County
We can take that shit outside if you all doubt me
I represent that Southside Duval County
We can take that shit outside if you all doubt me

[Nick]

Don't step to me with that ignorant shit
I've been making punk music since I was a small kid
You might find it strange, wanna hate a little bit
But just because I'm black makes me no different
Always smoked out, shiny gold
In my mouth, so you know
Without a doubt, how we roll
Dirty South
My nigga get drunk, got these crackers twisted up,
circle pit
In the front, Dirty South yo crunk nigga what

You ride up to the club boy
I don't give a fuck
Got that thing in the club boy
Bitch I don't give a fuck
Dirty deep lick your pussy clean
I don't give a fuck
You talking shit about me bitch

[Spoken]
