[Spoken]

Yea the shows gonna be crunk tonight
Southside Duval County

[Aaron]

I was outside of the club just smoking a blunt
And I walked inside of the club and starting to get
drunk

I told them motherfuckers
I ain't never scared (What!)
I ain't never scared (What!)
I ain't never scared (What!)
I told them motherfuckers
I ain't never scared (What!)
I ain't never scared (What!)
Bitch I ain't never scared

[Aaron]

Straight outta Duval county aka Jacksonville
Ain't afraid to throw your bitch ass away like daffodils
When I'm gone off that liquor better back your ass up
I ain't racist but I will fuck your craker-ass up

[Nick]

I gotta get it while then getting is good
Bitch I wish you wouldn't
Try run up on me and take my shit I'll pop you in your
hood
It's all good if you pay me mine, hit me back on time
I ain't got no time, no excuses, better get ready to die

I told them motherfuckers
I ain't never scared (What!)
I ain't never scared (What!)
I ain't never scared (What!)
I told them motherfuckers
I ain't never scared (What!)
I ain't never scared
Bitch I ain't never scared

All the South Side niggas they ain't never scared
All the artisan niggas they ain't never scared
All the ignorant niggas they ain't never scared
They ain't never scared (Duval)
They ain't never scared

[Aaron]

At the age of nineteen I got my name in the business
And I still keep it real without no games or no gimmicks
Fuck the limelight, and the fame and the image
When them niggas come and go, I'm gonna stay till the
finish
I don't need no record deal, I'm gonna stay in the
business
I'm a rock star without major label assistance
Cause I'm way cooler than anybody you know and
I roll with hooligans and still make the music and

I told them motherfuckers
I ain't never scared (What!)
I ain't never scared (What!)
I ain't never scared (What!)
I told them motherfuckers
I ain't never scared (What!)
I ain't never scared (What!)
Bitch I ain't never scared

[Nick, spoken]
