

## Whoo Kid "Get Buck"

Visit "[Get Buck](#)" on MotoLyrics.com

Yeah, get 'em, Buck

Okay, I'm reloaded, my bankroll swole  
And a nigga can't fold it  
I got 'em like hey, got 'em rollin'  
The kush on the way and the champagne frozen

Watch me do my thang, I got these hoes open  
I'm ridin' presidential like the shit that I'm smokin'  
Water wit the work, Patron on my shirt  
And a zip ain't shit, I need a quarter P of Purp

Gon' break it down, pass it all around  
I can serve Whitney Houston and Bobby Brown  
Them dope boys in this bitch like, "Let me buy  
that"  
Broke niggas in this bitch like, "Let me try that"

I need a beat in the bitch, let me call Polo  
Mr. Tennakey I still get 'em for the low though  
Shawty, light up the dro, I ain't ready to go  
You can't ban me from the radio or fuck up my show,  
you know

Haters tryin' to ban a nigga mayne, it's okay  
I bounce back, watch me do my thang, it's okay  
I got my Chevy hoggin' up the lane, it's okay  
I'm a boss, I can make it rain, it's okay

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch

(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Let's play the game, I'm the quarterback, don't stop,  
homey  
I go to jail if I get sacked, so block for me  
Eightball in my corner pocket, it's on and poppin'  
Got the whole club leanin' wit' it and body rockin'

Drunk drivin' in my Cut dawg, I got my truck parked  
Seventy Two Tennessee Titan like what up, y'all?  
I'm home boy, holla at ya homeboy  
Better come quick, once I get it then it's gone, boy

First come first serve, fuck what ya heard  
I'm piecin' out my pack till I come up on a bird  
Blow the smoke out my nose, pimpin' on these hoes  
They know me at the bank, love me at the jewelry  
stores

I play it how it goes, the butterfly doors  
On them old school vogues with the chrome on the toes  
These fuck niggas know, that I will let it go  
I-I-I bet he got a vest, no, but I got my Tech though

Haters tryin' to ban a nigga mayne, it's okay  
I bounce back, watch me do my thang, it's okay  
I got my Chevy hoggin' up the lane, it's okay  
I'm a boss, I can make it rain, it's okay

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)  
Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)

Now get buck, bitch  
(Watch me do the damn thang)

Yeah, you know what it is  
How we do the damn thang down here, nigga  
What you workin' with?

Yeah, hey, my nigga, now don't be in the club  
Throwin' ya rent money, be broke in the mornin'  
Have us laughin' at ya broke ass

Yeah, where my dope boys at?  
Yeah, shawty I see you  
Now pick up that goddamn money  
Hey, let's go
