(Frantz/McGee)

How's the family and all of the kids?

Can they be seen or felt or heard?

How's the heart string?

Are you being pulled and pulled and pulled?

Jack of spades has the flower's beds made

He'll fix their souls with his gardening tools

How's your life an all of your conscience?

Do you still feel that you were right?

And how's that heart string?

Are you being fooled and fooled and fooled?

Jack of spades has the flower's beds made

He'll fix their souls with his gardening tools

"...And now they're ugly

Now they're old

Now they're wilted

Now they're cold

Look to the Son, his warm embrace

Forgive Jack's trespass

Forget Jack's face

Look to the Son..."

Jack of spades has the flower's beds made

He'll fix their souls with his gardening tools

How's your life?

How's your family?

Are you being pulled?

Are you being fooled?

With love
