(Frantz/McGee)

There has to be a reason why  
We're swirling  
A riddle written in the sky  
I'm changing  
I see that glimmer in your eyes  
You're glowing  
And that could be the reason why  
It's changing  
Save what I missed  
Give me a kiss  
It's earning me a slap on the wrist  
Save what I missed  
I can't resist  
Hours more constantly this  
I'll ask the question if I may  
We're twirling  
I'd show me more if I could stay  
I'm leaving  
I asked you once if I could play  
You're teasing  
And you never said "why, yes, you may"  
It's changing

Save what I missed  
Give me a kiss  
It's earning me a slap on the wrist  
Save what I missed  
I can't resist  
Hours more constantly this  
It's ripped my feeling right in half  
What I need now is a real good laugh  
I lost my heart to your witchcraft  
It's ripped my feelings right in half  
What I need now is a real good laugh  
What I need now is a laugh  
There has to be a reason why  
We're swirling  
A riddle written in the sky  
I'm changing  
I see that glimmer in your eyes  
You're glowing

And that could be the reason why  
It's changing
