When I gave you my number
Thought you would use it
It's just a little slip of paper
Darlin' did you lose it?

I've been here all 'lone
Waitin' by this phone
But it ain't rang at all
Oh, baby, for a good time call

Oh, reach out and touch me
Don't you really wanna love me?
You're seven numbers away
From this heart of mine

Do I have to write it on the wall?
Oh, baby, for a good time call

Maybe we could see a movie
Or take a walk and hold hands
I know a place that's got good music
Where we can slow dance

Darlin' if we do
I'll show you
What it really means to fall
Oh, baby, for a good time call

Oh, reach out and touch me
Don't you really wanna love me?
You're seven numbers away
From this heart of mine

Do I have to write it on the wall?
Oh, baby, for a good time call

Oh, reach out and touch me
Don't you really wanna love me?
You're seven numbers away
From this heart of mine

Do I have to write it on the wall?

I'm pacing up and down this hall
Oh, baby, for a good time call
For a good time call, oh
