I knew this would happen
Sooner or later I'd run to you
I'm finding I'm happy
But I can say I've missed you too

Don't ask me to dance
I don't think I'm quite where you are just yet
Please understand
I'm not ready to take that step
If I do, I'm sure I will regret

If I feel your hand, I'll want more than that
More than I can stand, I'll want it all back
Whatever there was, all bad or good
I'd bring back that love if I only could
Oh, I'm beggin' you, please understand
If I feel your hand

I've been here before
I told myself I won't go through that again
One touch, I was yours
And I felt something perfect again
So don't ask me to try and pretend

If I feel your hand, I'll want more than that
More than I can stand, I'll want it all back
Whatever there was, all bad or good
I'd bring back that love if I only could
Oh, I'm beggin' you, please understand
If I feel your hand

Oh, I'll never know why you pulled away
But each time I see you, I'll be afraid

If I feel your hand, I'll want more than that
More than I can stand, I'll want it all back
Whatever there was, all bad or good
I'd bring back that love if I only could

Oh, I'm beggin' you, please understand
Oh, I'm beggin' you, please understand
Oh, I'm beggin' you, please understand

If I feel your hand
