I can almost read your mind  
It's running fast  
Out of control  
You're afraid of what you'll find  
If you get too close  
You imagine I don't care  
You see walls that just aren't there  
You think I'm too strong to let you in  
But that's just not fair

I'm not so tough  
I'll call your bluff  
And let you see a side of me  
That wants you here  
And cries real tears  
And needs someone to love  
I'm not so tough

I know that you've been hurt before  
But so have I  
What can you do?  
That doesn't mean you close the door  
So stop blaming me  
I'm not blaming you  
I'm not some ghost from your past  
The one who torn your heart in half  
I'm not her, it's not my fault  
Your holding on to that

I'm not so tough  
I'll call your bluff  
And let you see a side of me  
That wants you here  
And cries real tears  
And needs someone to love  
I'm not so tough

I'm not so tough  
I'll call your bluff  
And let you see  
A side of me  
That wants you hear

And cries real tears  
And needs someone to love  
I'm not so tough

I'm not so tough  
I'll call your bluff  
And let you see a side of me  
That wants you here  
And cries real tears  
And needs someone to love  
I'm not so tough  
So tough

I'm not so tough  
I'll call your bluff  
And let you see me  
I'm not so tough  
I'll call your bluff  
I need someone to love
