I, I, I've got a feelin'  
And I'm gonna hold you tonight  
I, I, I've been dreamin'  
Of holding your sweet body next to mine

Oh baby, it's sure been a long time comin'  
Ooh, take me to that place  
That you've got hidden in your

Eyes dark and yearning  
Time is given to desire  
My mind is spinning  
(Mind is spinning)  
Thinking about what's about to be mine

Oh baby, it's sure been a long time comin'  
Oh, take me to that place

The two of us just one heartbeat  
Your love it's so easy oh, oh

I, I, I've got a feelin'  
And I'm gonna hold you tonight  
I, I, I've been dreamin'  
Of holding your sweet body next to mine

Oh baby, it's sure been a long time comin'  
Oh, take me to that place, oh, oh  
Oh baby, it's sure been a long time comin'  
Oh, take me to that place  
That you've got hidden in your

I, I, I've got a feelin'  
I'm gonna hold you tonight  
And I, I, I've been dreamin'  
(I've been dreamin')  
Of holding your sweet body next to mine

Holding your sweet body baby  
Holding your sweet body baby  
Holding your sweet body next to mine

Holding your sweet body baby  
Holding your sweet body baby  
Holding your sweet body next to mine

Holding your body baby  
Holding your body baby  
Holding your body next to mine
