To my surprise
I turned around
The devil's got a hold on me
How was I
Suppose to know
The devil got so damn pretty
Oh you little devil
You got so pretty, you little fool

Chorus
He pulls me in
Tears me down
Chews me up
Just to spit me out
He holds me close
Like he's my best friend
When I open up
He steals everything
And he's gone again

I thought he'd have
Two big horns
And look at me
With big red eyes
Instead he wore
Those baby blues
And whispered
Promises and lies
Oh you little devil
You got so pretty, you little fool

Chorus

Oh how he loves to watch me fall
He doesn't know
I've already lost it all

Repeat chorus

He steals everything
And he's gone again
