A boy walks by, then a young girl sighs
Whoa but he won't try, just to catch her eye
Rolls his sleeves with his cigarette pack and
Revs his motor at the traffic light
Tries to act like he didn't look back, but
Oh his heart cries

Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Only one I love

It's an age old game, where the rules all change
And your heart might break, that's the chance you take
Just a dream when you look in those eyes
Of sweet, deep kisses in the moonlight
Just to feel the surrender inside, and
Oh your heart cries

Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Only one I love

Nobody's arms around me
Until your love found me

Then my heart stood still, and I felt that chill
The walls came down, that my heart had built
Touch my hands, you'll be watching me melt
My heartbeat setting off an avalanche
Had to know how kissin you felt
I could not miss that chance

Don't you wanna be the
Don't you wanna be the

Don't you wanna be the one in a million
Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million

Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Don't you wanna be the
Don't you wanna be the
Don't you wanna be the one in a million
Don't you wanna be
Don't you wanna be
Don't you wanna be, oh oh
The only one I love
The only one I love...
