Speaking of the Devil  
Look who just walked in  
He knows just where to find me  
Here we go again  
I can tell he's gonna ask me to dance  
But that's not as far as he wants to go  
I need 10,000 Angels to help me tell him no

Lead me not into temptation  
Heaven help me to be strong  
I can fight all that I'm feeling  
But I can't do it alone  
Help me break this spell that I'm under  
Guide my feet and hold me tight  
I need 10,000 Angels watching over me tonight

It's time to face my weakness  
Look him in the eye  
Lord knows it won't be easy  
But I've just gotta try  
I can let myself get lost in his arms  
That's how I got my heart broke before  
I need 10,000 Angels to walk me out the door

Lead me not into temptation  
Heaven help me to be strong  
I can fight all that I'm feeling  
But I can't do it alone  
Help me break this spell that I'm under  
Guide my feet and hold me tight  
I need 10,000 Angels watching over me tonight  
I need 10,000 Angels watching over me tonight

10,000 Angels, watching over me tonight  
10,000 Angels, watching over me tonight  
Watching over me tonight  
Watching over me tonight
