The one I love is knocking at my door  
With the kind of look I never saw before  
He said, "Hey baby, you and me  
Nothin' like knowin' when it's time to leave"

Took a listen to his advice  
Thought about it once but I didn't think twice  
I packed my life in a paper sack  
Don't miss nothing that I never had

This old car's a limousine  
Ridin' on hope, livin' on dreams  
Don't wanna know nothin' about readin' the map  
We're makin' it up as we go  
Final destination, don't look back  
'Cause when you're shootin' the dice you just tumble  
and roll

If we ever get lost we can use the stars  
Right now we don't care where we are  
Spin them wheels, gonna get there yet  
Runnin' down the road of no regrets

We got each other and that's enough  
Ain't we lucky we got love  
Don't wanna know nothin' about readin' the map  
We're makin' it up as we go  
Final destination don't look back  
'Cause when you're shootin' the dice you just tumble  
and roll

Got each other and that's enough  
Ain't we lucky we got love  
Don't wanna know nothin' about readin' the map  
We're makin' it up as we go  
Final destination, don't look back  
'Cause when you're shootin' the dice

Don't wanna know nothin' about readin' the map  
We're making it up as we go  
Final destination, don't look back  
'Cause when you're shootin' the dice you just tumble

and roll

Tumble and roll, tumble and roll

Na, na, na, na, na

Tumble and roll, tumble and roll

Na, na, na, na, na

Tumble and roll, tumble and roll

Na, na, na, na, na

Tumble and roll
