Let me be yours tonight
Hold me in your arms all night
Leave the worlds far behind
Take me high to your paradise

You are the one I love
You are the one I need
You're the only one in my heart
Baby come save me

Ah ah ah ha ah ah

The touch of your hand
Can take all my pain away
And the sound of your voice
Heals my soul
Forever I'm yours

You are the one I love
You are the one I need
You're the only one in my heart
Baby come save me

Ah ah ah ha ah ah

Baby I love u
And I can't live without u

I can't imagine how
Life would be without u
U make my worlds complete
U mean the world to me

You are the one I love
You are the one I need
You're the only one in my heart
Baby come save me

You are the one I love
You are the one I need
You're the only one in my heart
Baby come save me

Come and save me...
Cuz I want...
To be your love
